

## **WEBINAR STUDENT REQUIREMENTS**

Webinar students are required to follow the same KRI & KREC procedures and policies as a student attending a classroom session.

The webinar policies and procedures are located [here](#)

The class begins promptly at 8:00 am EST. The virtual classroom will be open at 7:30 am EST. Plan to login prior to class starting to ensure all required equipment is working properly.

The virtual classroom closes at 8:10 am EST, following KREC rules. There will be 10 minute breaks every hour and a 1 hour lunch.

Once registered, you will receive an email order confirmation. 1-2 days prior to the start of class you will receive an invite to attend the class, as well as login information, the policies and procedures document and student materials.

Towards the end of the session, students will be given a link to access the evaluation and affidavit. To obtain credit for the class, you must complete the affidavit by 5:30 pm EST.
